

# The Eagle's Landing

## Letter From the Principal

Wow! The school year is almost over. It is hard to believe that there are only a few more weeks of school left before Summer vacation is upon us. Please keep in mind the upcoming Academy events. I encourage you to come to each event, even though you may not have a child in some of the grades.

I am looking forward to the ACE Learning Centers' Spring Concert (5th-12th Grades) coming up on Tuesday, May 13th @ 7:00PM. This is always such a special night. Pastor Knutsen, our Music Director, and his wife, Lori, always do such a tremendous job working with the students. Please pray for this concert and make sure to be here for this special night.

Also, please pray for us as we take a group of students to International Student Convention. The week of competition is scheduled for May 24th-29th in Indiana, PA. We are very excited for our students. Competing at an international competition is a great accomplishment and one that they will remember for a lifetime. Last year, we have many students place in top six of many of their events. Go Elmwood!

Don't forget to turn in your enrollment forms for next year. A couple of the classes are already full and others are filling up quickly. You do not want to miss next year. God is doing something great and I'm excited to be a part of it.

The next academic year marks Elmwood's 42nd year in Christian education! Our referral program went over so well last year that we are continuing for the upcoming year as well. Please refer your friends and neighbors and others you meet to EBA. They will receive a great education and you will receive a great credit toward your tuition.
