

Eagle's Landing

Letter From the Principal

Wow! The summer vacation season has flown by. If your summer has been like mine you wonder where the time went. It is almost time for school to resume. We are pressing forward and making sure each classroom is ready with open arms to receive each and every family. Our staff has been hard at work and we are looking forward to a new school year. God is blessing in many ways and our school is growing as a result of the mighty hand of God.

The first day of school will be August 18th. We are looking forward to a great year. Thank you for allowing your children to attend Elmwood Baptist Academy. It is a privilege to help you educate your children. Please be in prayer for this year and **expect God to answer** and bless richly.

As the days tick down to the first day of school I pray that you are ready and have everything in order. Please remember that Parent Orientation is Saturday, August 9th at 1:00PM. This is a mandatory meeting for all parents. It is a great opportunity to meet your child's teacher and bring their school supplies. I have attached the supply lists for each class in the original e-mail. They may also be found on the school website.

The theme for this school year is, "For Such A Time As This." This statement is found in Esther 4:14. Esther is an amazing book of God's sovereignty and protection of His children. In a world where Christians are being attacked on many different fronts, where some groups are advocating for the removal of Christians from our American society, where Christians are facing prison time for their beliefs, and where Christians are being told change your beliefs or get out of business, we need reassurance from God's perfect Word that He is in control.

We see this in Esther 4:14. Esther is scared to stand up for her people. What Esther didn't realize yet is that God brought Esther to where she was and put her in the exact place she needed to be to save Israel. As we follow God and His will for us, God moves us into position. Where are you? Where has God placed you? Do you realize that God has you in the position He has designed for you? Then let us stand up and with boldness serve Him with our whole heart.

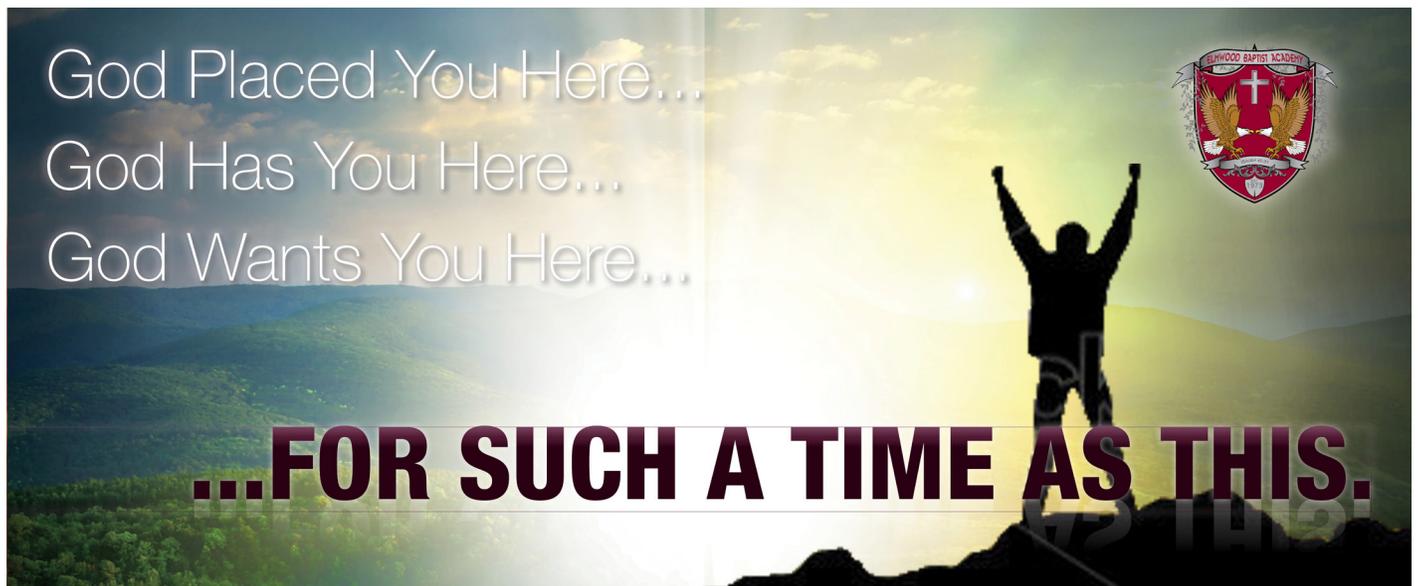

I pray that you will take this statement to heart and really look at your life and make sure that you are living for Christ. Don't back down from what you believe. Don't be afraid of what the world is doing. My God is able to do exceedingly abundantly above all that we ask or think. The world may believe that they have won the war, but God's Word declares that "greater is he that is in you than he that is in the world." An evangelist from yesteryear once said, "I've read the back of the book and we win!"

Stand firm! Stand faithful! Stand with and for Christ! And together we will move mountains for our Savior. May God bless you.

In Christ's Service!

Learning in Disguise

Using Your Summer Days Wisely

"Give instruction to a wise man, and he will be yet wiser: teach a just man, and he will increase in learning."—Proverbs 9:9

Summer's here...it's getting hot...and the kids are excited. This is the perfect time to enhance your child's education by purposely using the normal, everyday experiences to teach him something exciting about God's world. Use the carefree summer days to help your children turn off the TV and "get their hands dirty."

above: turn the food coloring droppers over to the child and let him experiment with creating different colors using the four basic colors. He'll probably put too much color in and turn the water brown. Let him start over. This is the learning process.

Encourage your child to write the "recipes" for as many different colors as he can create.

IMPACT

The conversation and experiences that occur during fun times like these are what will impact your child and make his learning relate to other experiences in life. For instance, if you use the food color activity mentioned above, talk with your child and discuss crayons and how they are made. Ask questions that make him think: "Do you think the crayon people get to play around and invent new colors?" Most likely he will have an opinion! And you can be sure that the next year in school when he pulls out his crayons, he will remember that learning experience with you!

It is hard to accomplish a given task without the right tool. By giving a student a love for reading, you are giving a tool that will help him accomplish many tasks throughout his life. I challenge you today to arouse within a student a love for reading!

INTRIGUE

Arouse interest by asking questions. Learning can happen anywhere and everywhere. Want to get your elementary child's interest? Don't tell him what you are doing, but in his presence, start pulling out the items needed for an unusual activity. For instance, in the kitchen, start pulling out various clear glasses or bowls. Fill them with water and start putting a different colored drop of food coloring in each glass. Any kid within sight will ask you what you are doing. Now you have his interest. (Activity explained in "involve.")

INVOLVE

The backyard, the kitchen, the garage—all are fantastic places to find the ingredients for very interesting experiences. Teach fractions while baking cookies. Teach about poison safety. Check local libraries and book stores for kid-safe experiments. They are usually easy to follow and use ingredients that you probably have around the house.

Now to finish the activity mentioned

10 Things You Should Know About Your Child's Heart

"My son, give me thine heart, and let thine eyes observe my ways." Proverbs 23:26

God wants His people to guard (Proverbs 4:23), guide (Proverbs 23:19), and give (Proverbs 23:26) their hearts. When children give their hearts to their parents, they trust them to protect, provide, and prepare them to follow God's will for their lives.

Here are ten truths about your child's heart to keep in mind as you prepare them for God's will:

1. By nature my heart is sinful and therefore imperfect.
2. I need you to hold me accountable and

teach me good character by helping me to think biblically.

3. My view of God and how to trust Him is being shaped by your influence and example. Please teach me how to properly respond to His authority.
4. I feel most secure when there is harmony and structure in the home, and I am allowed to become who God wants me to be.
5. I lack discernment, and need you to keep me from the appearance of evil so I will not be weakened to the evil itself.
6. Your acceptance and understanding means the world to me even though we do not always see eye to eye on some things.
7. Your unconditional love when I have stumbled teaches me forgiveness and grace.
8. Know that I have problems, and do not believe me if I act like I do not need to talk with you about them.
9. Your time is more important to me than your gifts.
10. Never give up on me or stop praying for me.

Dress Code

Each student's appearance should be such that Christ would be pleased and honored. It is vital that each student wholeheartedly support the dress standards. No immodest dress is allowed. Clothing is immodest if, by its style, cut, coloration, or fit, hinders others from looking at your face. Some fads violate God's warning to keep male and female dress distinctly different. (Deut. 22:5) School dress code items are to be worn all week for academic work, for official school functions, on or off-campus. PLEASE, No outdated, dirty, wrinkled, or ragged clothing. The Bible only lays out three general principles for our dress. (1) Modesty is essential. (2) Offending others is a sin. (3) We need to dress in a way that honors and glorifies God and avoids the appearance of something evil.

These principles work wonderfully; however, problems arise when opinions differ as to what is modest, offends, or is honoring to God. Therefore, the following guidelines have been researched and determined as good, safe regulations on how our students should dress.

The following guidelines will be enforced...

K-4 through 12th Level Boys

- **Pants:**
 - Navy Blue, Black, Dark Grey or Khaki dress pants in good condition. A solid black or brown belt must be worn with pants.
 - **Exception:** K-4 and K-5

We want to let you know of a great opportunity for you to help Elmwood Baptist Academy. Kroger/King Soopers has partnered with EBA in a great money raising opportunity at no cost to you.

Simply purchase a pre-loaded \$50.00 gift card from Elmwood for \$50.00 and shop as you normally would. Keep this card and continue using it every time you shop for groceries or fuel. Every time you load additional money on the card, Elmwood received 5%.

For example, the day you purchase your card Elmwood received \$2.50 (5% of \$50.00). When you go to store and buy \$XXX.00 in groceries, ask the clerk to add what amount you desire to the card before they start to ring up your order. Then, simply pay with the gift card. The next time you shop, simply follow this same pattern. You may add as much money as you want to the card at any time.

Thank you for supporting Elmwood Baptist Church and Academy.

HELP US RAISE MONEY FOR OUR SCHOOL

Last year, families and friends of EBA raised \$10,000.00 for our school! With the money we purchased two buses and new chairs for the classrooms. **We cannot thank you enough for your support!!!**

We want to do it again. Elmwood Baptist Academy will be selling World's Finest Chocolate candy bars to raise funds for our school. All profits will be used to further advance the school in various ways.

This year our goal is to raise funds to build additional classrooms and continue to upgrade technology throughout our school.

We are asking that each family sell a minimum of 2 boxes of chocolates. Most people can do this in only a couple of hours. If you can sell more we would greatly appreciate it. More information will be presented at the Parent Orientation.

**OUR GOAL IS TO RAISE \$10,000.00
FOR ELMWOOD!**
